

Global Tech Solutions – Employee Handbook 2023/2024

[Category: HR | Year: 2024]

Remote Work Policy: Employees are entitled to 3 days of remote work per week. Mondays are "Sync Days" and require in-office attendance. Employees must be online by 9:00 AM local time regardless of location.

[Category: HR | Year: 2023]

Legacy Remote Work: Employees were previously allowed only 1 day of remote work per week. *Note: This policy is superseded by the 2024 version but kept for audit purposes.*

[Category: Finance | Year: 2024]

Hardware Stipend: All full-time engineers receive a \$500 annual stipend for home office equipment. Receipts must be submitted via the "Expensify" portal within 30 days of purchase.

[Category: IT | Year: 2024]

Password Security: Passwords must be at least 14 characters long and include a symbol. Multi-Factor Authentication (MFA) via the Okta app is mandatory for all internal systems.

[Category: Legal | Year: 2023]

Data Privacy (GDPR): All client data must be encrypted at rest and in transit. Non-compliance results in immediate disciplinary action and potential legal liability under EU law.
